

Perspectives in Geometric Analysis

Date/ 2023/02/18+2/20

Venue/ Room 515, Cosmology Building
+ Online Conference

Aim & Scope

The main goal of this one day workshop activity is to bring together several experts in geometric analysis to present their research in submanifold, CR geometry, Sasakian geometry or nonlinear PDE.

Invited Speakers

Shu-Cheng Chang

National Taiwan University

Chih-Wei Chen

National Sun Yat-sen University

Qing-Ming Cheng

Fukuoka University

Pak Tung Ho

Tamkang University

Yen-Chang Huang

National University of Tainan

Ting-Jung Kuo

National Taiwan Normal University

Sin-Hua Lai

National Chin-Yi University of Technology

Chien Lin

Mathematical Science Research Center,
Chongqing University of Technology

Mao-Pei Tsui

National Taiwan University

Chin-Tung Wu

National Pingtung University

Organizers

Chung-Jun Tsai

National Taiwan University

Mao-Pei Tsui

National Taiwan University
