

2022

NCTS Workshop on Computational Mathematics and Scientific Computing for Young Researchers

Date: Aug. 26-27, 2022

Venue: Room 3174, Math Department Building, NCKU

»»»» Aim & Scope:

This workshop will provide researchers with an opportunity to share their work and interests in computational mathematics and related topics. We invite senior researchers to share their experiences and insights toward new methodologies and technologies. In particular, we hope to build a platform for mutual collaboration and interaction among senior and junior researchers.
