

Young Theoretical Scientist Award Ceremony

Date

2024.3.11
2pm-5pm

Venue

R515,
Cosmology Bldg., NTU

Aim & Scope

NCTS is a leading mathematical research center dedicated to promoting cutting-edge mathematical research and nurturing young talents. To encourage young researchers, we have established the NCTS Young Theoretical Scientist Award. This award recognizes promising young faculty members who are pursuing frontier challenges in their research.
