

National Center for Theoretical Sciences

# A Dialogue with the SIAM President, Dr. Carol Woodward

**Date: 2025/01/16**

**Event Time: 14:00**

**Venue: R515, Cosmology Bldg., NTU**

## Aim & Scope

This event is designed to strengthen the connection between SIAM and TWSIAM by fostering dialogue, exchanging ideas, and sharing experiences. It will provide a platform for the applied mathematics community in Taiwan, including representatives from SIAM student chapters and TWSIAM activity groups, to engage with the President of SIAM and explore collaborative opportunities.

## Invited Speaker

**Carol Woodward**

Society for Industrial and Applied Mathematics
