Venue | R515 Cosmology  
Bldg. NTU

# Workshop on Kinetic and Wave Equations

## Aim & Scope

The purpose of this workshop to bring together the experts in the fields of kinetic equation and wave equation to extend the knowledge of the frontline of research from both sides. It is possible to discover new idea and method for solving the problems we are interested after the workshop.

## Invited Speakers

I-Kun Chen

National Taiwan University

LingBing He

Tsinghua University, Beijing

Jin-Cheng Jiang

National Tsing Hua University

Hung Wen Kuo

National Cheng Kung University

Xuecheng Wang

Tsinghua University, Beijing

Kung-Chien Wu

National Cheng Kung University

Shiwu Yang

Peking University

Pin Yu

Tsinghua University, Beijing

## Organizers

Jin-Cheng Jiang

National Tsing Hua University

Kung-Chien Wu

National Cheng Kung University
