

# One-Day Workshop on Arithmetic and Algebraic Geometry

**Date:** February **20**, 2025

**Venue:** R515, Cosmology Bldg., NTU

## Aim & Scope

We have "NCTS One-Day Workshop on Arithmetic and Algebraic Geometry" on February 20 2025 at National Center for Theoretical Sciences. We invited 5 speakers to give 60-minute talks. The objective of this event is to report on recent developments in arithmetic and algebraic geometry. It is also aimed to provide an occasion for interaction and discussion for all the participants. We expect that this event will help promote active exchanges between the Taiwanese and Japanese communities of this area.

## Invited Speakers

Kentaro Inoue

Kyoto University

Wille Liu

Academia Sinica

Pedro Nunez
