

2025 NCTS International Conference on PDEs

Date:

2025/06/09-13

Venue:

R505, Cosmology Bldg., NTU

Aim & Scope:

The conference days are set up in the afternoons of June 9, 10, 12, and 13, 2025. There will be three talks on each aforementioned afternoon. The main purpose of the conference is to introduce the recent developments of the kinetic theory and the fluid dynamics and general PDEs to the participants of 2025 NCTS Summer School on fluid dynamics and kinetic theory. On the other hand, we also invite a few young scholars to give talks in the conference. We hope to promote the collaborations of PDEs research and to cultivate young scholars via this conference.

Invited Speakers:

Jerry L. Bona	National Taiwan University
Yoshiyuki Kagei	Institute of Science Tokyo
Jou-Chun Kuo	Waseda University
Wei-Ming Ni	Chinese University of Hong Kong, Shenzhen
Tai-Peng Tsai	University of British Columbia
Zhouping Xin	The Chinese University of Hong Kong
