

2026 Spring Day

Date

2026.3.16

Venue

R515, NCTS
Cosmology Bldg.

Aim & Scope

NCTS is a leading mathematical research center dedicated to promoting cutting-edge mathematical research and nurturing young talents. To support and encourage researchers with potential, we have established the NCTS Young Theoretical Scientist Award and the NCTS Outstanding Paper Award. These two awards recognize promising talented scholars who are pursuing frontier challenges in their research. The award ceremony will take place during the NCTS 2026 Spring Day.
